

Chandelier

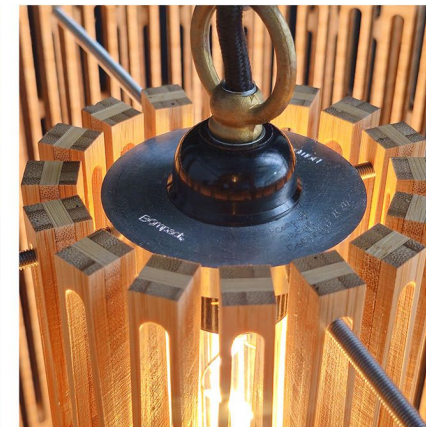

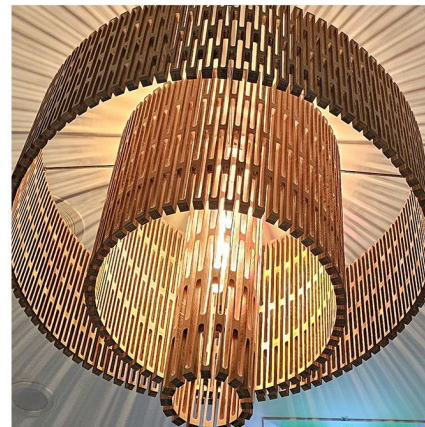

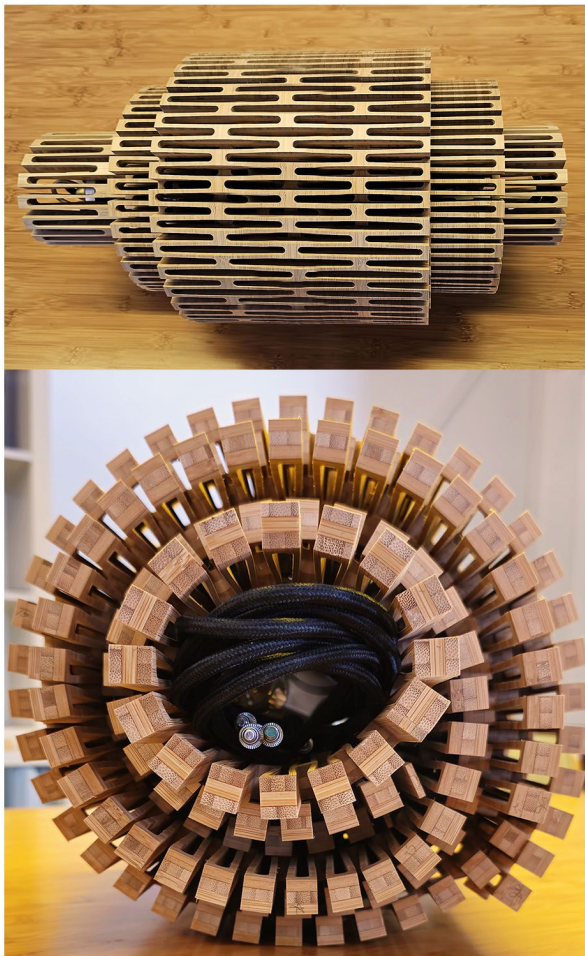

SPEC SHEET

Designer | Zev Bianchi
www.bcompact.com

The pinnacle of sustainable luxury: the Chandelier. Radiating sophistication and eco-conscious elegance, this exquisite lighting fixture is a masterpiece of craftsmanship, designed to captivate the senses and elevate any space with its unparalleled beauty.

Crafted from responsibly sourced bamboo, each Chandelier is a work of art in its own right. The bamboo's natural grain and texture are accentuated by intricate kerf patterns, creating a mesmerizing interplay of light and shadow that transforms any room into a sanctuary of style and serenity.

Compact
